

Executable laws can lose information present in direct answers

● DeepSeek ● GPT-5.6

a Matched prediction and law error

b Replay of the observed incumbent

	Better	Equal	Worse	Missing
DeepSeek	1	119	1	14
GPT-5.6	0	125	1	9

135 scheduled per model; missing retained

Same law-evaluable cells at both endpoints: 135 DeepSeek / 129 GPT. Replay tests an observed plan.
